The CREACTION - "CREating with ACt and arTs a safe envIronment in Our ceNters" took place in Pissouri, Limassol, Cyprus from 21 to 30 of October'2023. Organizer - NGO ACPELIA from Cyprus. VšĮ JAUNIMO LAISVALAIKIO CENTRAS (Non profit organization Youth Leisure centre) was a partner organization in this project and sent 4 participants – youth workwers.

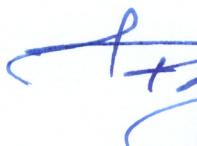

The hosting organization Acpelia provided all information related to the project, was ready to answer all questions and they were helpful in dealing with logistical issues. Communication took place on Facebook, by e-mail, Whatsapp.

The project's idea was comprehensive approach to combating bullying in schools. It focuses on non-traditional educational methods to break stereotypes and discrimination, fostering respect and understanding among youth. They had opportunity to gain knowledge, ideas and experience on the topic of bullying prevention, as well lithuanian team was able to learn and connect with other 36 like-minded people from 8 countries. It was significantly contribute to the realization of future projects.

The project trained youth workers to be anti-bullying ambassadors, incorporates Social Emotional Learning, and emphasizes emotional education.

After the end of the project, we organized a team bonding seminar "Portrait of Self-Evaluation" in Lithuania. At the beginning we shared wonderful memories of Cyprus and the project, then we presented the method we intend to use in practice: portraits of employees with envelopes where everyone is invited to leave notes or small gifts. Everyone is waiting for more similar activities, they are really fruitful and necessary for the community. One meeting was organized in the youth center about Erasmus+ opportunities and about bullying resistance.

We are looking forward to future collaborations with ACPELIA.
