

Evaluation leater

In the period from 21-10.10.2023, 4 youth workers from our organization participated in the Erasmus+ KA153 "CREating with ACt and arTs a safe envlronment in Our ceNters CREACTION" training course organized by the organization ACPELIA in Pissouri - Cyprus. The organization during the project was at a high level, the representatives of our organization gained new knowledge in the field of the youth work and art and improved their personal competencies, knowledge and skills. Through this project we had the opportunity to promote our organization and create new collaborations for the near future.
